Fellow Legionnaires, I am both proud and honored to be representing Post 555 as your Commander for a 2nd term. In this 2017-2018 term we continue with our progress on making our Post great again.

We will maintain our momentum on the Post Improvement Project. This includes completion of the Storage Room Project, kitchen reorganization and much needed maintenance, and bar reconfiguration.

We will also keep recruiting new members to join the Legion, and continue to encourage existing members to visit The Post and participate in more of our activities.

This year, I am looking forward to hosting

more Post events, attending inter-post events as well, and including the local businesses and community.

Our new Post Service Officer, Dan Hayden joins the Post Family to provide a valuable service to our post family for (Veterans Affairs & Rehabilitation) VA&R. Charlie Bates signs on as our Post Historian and will be helping share and build our Post history.

Congratulations to all of the new and returning Post Officers: Adam Crawford - 1st Vice Commander, Len Guillen - 2nd Vice, Charlie Bates, Ed Sedlak, and Lee Lieberg on the E-board, Andy Timko - Adjutant, Doc Adams - Finance Officer, James Costere - Sergeant at Arms, Gene Lucier - Assistant Sergeant at Arms, Bill

To start have you ever wondered how fast time goes by? It seems like it was the first of 2017 now were almost half way. Well good news again: we are Blessed at this time of my report we haven't had any member pass on to the Post Everlasting. Like I always have said, I know it is very difficult to get news to others when a Loved one has passed on to the Post Everlasting, and I even have a hard time reporting it. But please if you can let me know so we can Honor that very important Brother or Sister.

Lest we forget they paid the ultimate price they handed us the torch of freedom to carry on. Please

don't forget this is very important for us to remember. Let us promise ourselves to do all we can everyday starting today, to express our appreciation for what our fallen and surviving veterans have given us at so great a personal cost. (Amen)

Please reach out and help out any veteran who has fallen on hard times, they need our support it's the best we can do. (God Bless) God Bless America and the American Legion Family Definitely our great Troops.

For God and Country
Please stay Alert and
Healthy
Amen

HISTORICAL NOTES

Post 555-A brief History

While compiling historical information for the 75th Anniversary event that was held March 23, 2013, I would like to provide a brief history of our Post.

Fortunately, our Post has kept a couple scrap books since the beginning (1938). There is one that provides a chronological history from 1938-1950s. This book is filled with newspaper articles. However, when articles were saved in the scrap book, they failed to include dates. One can get an general idea when significant historical events were occurring. Reading those articles gave a clear

picture of the events which started Post 555. Most significant is a summary of minutes from 1938-1948. This summary showed the struggles and achievements the Post was going through during those years.

There are also complete copies of the "Westminster Gazette".

During those times, communities were growing and the Post was growing with them. The community embraced the Post as a contributor to the community and a place where our returning servicemen would belong and become part of the community. It must have been exciting and challenging to be part

of this history in the making.

Below are highlights of history of our Post. I invite all members to check out the scrap book-it's a treasure.

1938-1940s
 Post 555 Midway City was started in February 1938 and became chartered on March 22, 1938. The first Commander was Robert Keller. They began with 18 members, 12 as charter members. At that time without a hall they used the city community center for its meetings.

The Auxiliary was chartered the same year and its first President was

Robert Keller's wife.

There was a tradition started by the Tustin Post, that any new Post that was started in Orange County would be first considered as a "Baby Post" in which a baby kit was provided; diapers, milk bottle, rattle and safety pins. Seal Beach Post was the first, Costa Mesa Post the second. If

no other Post started by January 1, 1940, the kit would be returned to Tustin Post. It turned out it was returned to Tustin.

The current property was purchased in 1938. Post 555 had purchased a recreation building from Standard Oil of Huntington Beach for \$500. In 1946 it was moved in pieces to its current location. Post meetings were held in the new building after 1946.

The exact date that they moved in is not clear.

It was interesting that they had planned on a complete recreation center surrounding the Post; Tennis and handball courts, horseshoe pits and a softball diamond all for the public to enjoy. Not sure what happened with that plan.

1950s- On May 30, 1950, the building was officially dedicated as

Greetings Fellow Legionnaires,

For those of you that I haven't met, my name is Dan Hayden. I joined the Legion in January of this year after giving up 32 years of continuous membership in the Fleet Reserve Association. I was the past secretary and the youth activities chairman for Orange County Branch

175. When I transferred membership to this post, the post commander asked me if I would be the Post Service Officer, due to my experience and involvement with the FRA. I accepted the assignment and have already supplied some veteran's resources materials for the publications table. There are some of my business cards there also with my cell phone #

and email address. Feel free to call or email me with any questions you have regarding veterans resources and I will do my best to assist you. I am glad I chose this post and look forward to serving you.

AUXILIARY UNIT 555

Hello and Greetings to All,

It is my privilege and honor to serve for a 2nd term as the Auxiliary Unit 555 Presi-

dent. I am proud to say that we had a very successful 2016-2017 year in terms of Girls State, Poppies, VA&R, National Security, Americanism, and especially Membership (113%!). We received awards and accolades for Leadership, and Americanism; recognition from the VA Long Beach's PIER Program, Transition Program, Volunteer Services; St. Jude Hospital, and St. Francis Home. Our unit has worked hard for our accomplishments this past term, and we should be

proud of our achievements!

For this 2017-2018 year, let's continue the teamwork and keep moving forward and upward to achieve our goals. Let us put our differences aside to work towards our mission. Together, we are unstoppable and our accomplishments are limitless.

I would like to fill our many Committee Chairs, and work hard to achieve our goals this year, particularly with VA&R, Children & Youth, Education, Public Relations, and Leadership. Let's continue actively recruiting new members, and engage our existing membership.

Our officers for the 2017-2018 term are Kay Hamby – 1st Vice, Yvonne Zweifel – 2nd Vice, Sherrie Fisher – Treasurer, Kim Martin-Adams – Secretary, Eveline Sifuentes – Chaplain, Naoko Gorsuch – Historian. Samm "Squeaky" Adams will be sworn in as Jr. Auxiliary President at our June monthly meeting. Welcome and thank you for stepping up to keep our unit active and successful.

AMERICAN LEGION RIDERS CHAPTER 555

ALR 555 Preamble

For God and Country, we associate ourselves as members of the American Legion Family, constituting the American Legion Riders for the following purposes:

To uphold and defend the Constitution of the United States of America;

To maintain Law and Order;

To foster and perpetuate a one hundred percent Americanism;

To preserve the memories and incidents of our associations in the Great Wars;

To inculcate a sense of individual obligation to the Community, State and Nation;

To combat the autocracy of both the classes and the masses;

To make right the Master of Might;

To promote Peace and Goodwill on earth;

To safeguard and transmit to posterity the principles of Justice, Freedom and Democracy;

To participate in parades and other ceremonies which are in keeping with the aims and purposes of the American Legion;

to promote motorcycle safety education programs and to provide a social atmosphere for American Legion Family members with the same motorcycle interests;

To consecrate and sanctify our association by our devotion to mutual helpfulness.

This has been a month of activity for the Chapter. We sent a Delegation to Hollister to represent our interests at the ALR/DOC Convention. We'll get a report on what was done at our May meeting. While our delegation was up north, we had our monthly meeting and after meeting ride to Walker's in San Pedro for lunch. A good turn out for both the meeting and the ride.

We had the honor of escorting the mother of a Post family member to her final resting place from Ling Beach to Forest Lawn Cemetery in Cerritos. Funeral escorts are sad, yet fulfilling, knowing that we are showing the families their loved one is honored. The honor is, in reality, ours. Thanks to Sam, Doc and the Roots for joining me.

Chapter 555 was also in attendance at the Flag Retirement conducted at Post 555 by the Young Marines. The young people did a fantastic job, showing honor to the symbol of our Nation as several flags were properly retired. I was happy to see so many Riders at the event, but wish more could have come.

I take this opportunity to reach out to our membership and ask what, if anything, you think can get more member involvement. Not just coming to meetings, but participation in Post events. I was given an excellent suggestion for getting ride participation up. More on that at the next meeting. Bring your ideas and let us know what you want from your Chapter. Congratulations to all the Post, Auxiliary and Son's

Officers who were inducted at the Post meeting in May. I'd like to thank Commander Tim Dusina for the opportunity to introduce our Chapter Officers, who were inducted at our March meeting.

I hope to have information on our Annual Poker Run in next month's article. Keep an eye out for it!

Proud possessors of a priceless heritage, we male descendants of veterans of the Great Wars, associate ourselves together as "Sons of The American Legion" for the following purposes:

To uphold and defend the Constitution of the United States of America;

to maintain law and order; to foster and perpetuate a true spirit of Americanism;

to preserve the memories of our former members and the associations of our members and our forefathers in the Great Wars;

to inculcate a sense of individual obligation to the Community, State and Nation;

to combat the autocracy of both the classes and the masses;

to make right the master of might; to promote peace and good will on earth;

to safeguard and transmit to posterity the principles of justice, freedom and democracy;

to consecrate and sanctify our friendship, by our devotion to mutual helpfulness;

to adopt in letter and spirit, all of the great principles for which The American Legion stands;

and to assist in carrying on for God and Country.

Comrades,
I wish to thank the members for once again choosing me as your Commander, and I want to thanks the returning Officers for their support as well. Anyone who has been in a position of leadership knows all too well that you are only as good as your team and I have a great Team. We made over 100% again this year with over 80 members and I have to say it couldn't have been done without the help of the members and especially without George Willis (Our 1st Vice) running point.

This month marks the first time the Sons will be hosting Wrestling again in some time, and it would be great to see some support from the Sons there. The Wrestling has been a good fund

raiser for the Sons, but if we don't get more support we are in danger of losing this Golden Goose. The turnout has been primarily from the promoter's followers and he has expressed a desire to no longer put on the event here if attendance doesn't improve. So I ask for your support, after all it's a fun time for very little money.

Convention is this month and there will be a

lot of new things coming our way, it should be another good year for the Detachment. I will see you at the meeting in July, since we are dark in June.

Also look for the Wrestling flyer in this month's newsletter, the event is June 3rd.

Thank You,
James A Eubanks
