On the Cover: Memorial Day

As we enjoy our three day holiday weekend this Memorial Day, let us take a moment to remember the meaning and history of this holiday.

Originally called Decoration Day, this holiday was established in May 1868 by General John A. Logan to honor those who died in the civil war. During World War I, Decoration Day evolved into Memorial Day, to honor all those who died in all wars.

In 1968, Memorial Day was established to be the last Monday in May to create a three day weekend. In 1971, Memorial Day was established as an official Federal holiday. In 2000, Congress passed a law requiring Americans to observe a moment

of silence at 3:00 PM to remember and honor the fallen.

To honor the fallen, traditional Memorial Day activities include parades, visiting cemeteries, memorials, and placing flowers and wreaths on the graves of our loved ones who gave the ultimate sacrifice.

In 1918, inspired by the poem, "In Flanders Fields" YWCA worker Moina Michael attended a YWCA Overseas War Secretaries' conference wearing a silk poppy pinned to her coat. This marked the beginning of the red poppy, and was adopted by the American Legion Family as the national symbol of sacrifice made by those who have died for our country.

Fellow Legionnaires,

It's May, Spring is here, and -WOW!- we've got a busy month ahead! We are continuing on with our Post Improvement Projects. Jim Eubanks and crew are moving right along with the Storage Room. The cabinet faces are getting ready go on and we will finally have organized storage for all of our Post Family, clubs, and groups. The Front Patio Project started on the last week of April while I was at the ALR DOC Annual Convention. As I write this article, the old patio has been removed, a new patio built, and anti-skid coating and paint applied. This means we will have a safer front patio for all to enjoy. Our next projects will be on the Stage Area, and in the Post Kitchen – stay tuned for more! As always, our GoFundMe website (<https://www.gofundme.com/>)

[post555](#)) is online, and we are still actively raising funds for our many post improvement tasks and projects.

There are several events and opportunities coming up and I would love to see our Post Family membership participate. There is a Flag Retirement Ceremony and Tri Tip Lunch on 5/13. The Young Marines will perform the ceremony. I am looking forward to making this a regular event at the 555. Our Rummage Sale & BBQ Cookout is on 5/20 – this is your chance to earn a few extra bucks selling your stuff. The Post Family continues to work together to prepare some fantastic meals on our Thursday Night Dinners.

Post Officer Installation Night is Monday 5/8. We will conduct officer installations for the Legionnaires, Auxiliary, and SAL. Come on down and meet your Post Family

leaders and enjoy some cake & coffee.

I am proud to say that our membership has reached and exceeded 100%. This is especially remarkable because this is the first time that our Post, Auxiliary, and Sons memberships have reached 100% concurrently. Every month the Post Family continues to grow and welcome new people. It's nice to see so many new faces and fresh ideas!

THE CHAPLAIN'S PULPIT

Well hello everyone and for May 2017 I have great news no Member has past on to the Post Everlasting. Please keep in mind when any of you that has a Love one that passes on to the Post Everlasting please let us know so that we can Honor that Member.

I've mentioned this before but just a reminder for Memorial Day, In December of 2000 a Congressional resolution known as the National Moment of remembrance was passed which asks that all Americans on Memorial Day to voluntarily observe in their own way a moment of remembrance and respect to pause from whatever they are doing for a moment of silence or "Listening to Taps".

This is to be observed at 3:00 PM local time. Please take time to remember not only those who have fallen in the line of duty but also remember those members of our Armed Forces, Sisters and Brothers who continue to serve to protect our Freedom.

"GOD BLESS AMERICA"

Good news we have successfully received 100% "Plus" with our Membership for 2017. I want to thank all of you and the Officers that helped to make this possible. God Bless America and the American Legion Family (Definitely our Troops)

For God and Country
Please stay Alert and
Healthy

Greetings All,

Spring is here and with it brings new beginnings, growth, new officer installations, and Poppies. This is such an exciting time to be a part of Unit 555 and the Post 555 Family. We are doing so much around the Post, and for our Veterans. In between our 3rd Thursday Dinners, fund raisers, and collections, our unit also finds the time to support: Girls State activities (Kudos to Kay, Rita, and Diane), Thursday Dinners for the remaining three weeks of any month, build Blessing Bags (also known as Care Packages) for our veterans at the Long Beach VA, donate time at the VA

for bingo, visits and more, make prayer crosses, encourage and teach Americanism principles, and the list goes on.

Our installation ceremony will take place on Monday May 8th at the Post monthly meeting, along with the Legionnaires, and the SALs. I encourage all of our members to attend and meet/greet the new officers for the upcoming term.

May is Poppy Month, and this means we will be distributing red poppies. Remember, the red poppies serve as a reminder of the sacrifices made by fallen service members. The poppy was adopted as the American Legion Family's memorial flower in the 1920's. Moina Michaels is credited for making the poppy what it is today: the national symbol of sacrifice (to read more about the history of the poppy – [click here](#)). Wear your poppies proudly!

Coming up this month, we will be serving up Chicken Teriyaki Bowls for the 3rd

Thursday dinner. Please stop in for dinner and help us support our veteran programs.

Our next meeting is on Tuesday May 2nd at 7:00 pm. See you then –

Kokoe Estrada
Unit 555 President

In Flanders Fields

"In Flanders Fields" is a war poem in the form of a rondeau, written during the First World War by Canadian physician and Lt. Col. John McCrae. He was inspired to write it on May 3, 1915, after presiding over the funeral of friend and fellow soldier Alexis Helmer, who died during the Second Battle of Ypres.

In Flanders fields the poppies blow
 Between the crosses, row on row
 That mark our place; and in the sky
 The larks, still bravely singing, fly
 Scarce heard amid the guns below

We are the Dead. Short days ago
 We lived, felt dawn, saw sunset glow,
 Loved, and were loved, and now we lie
 In Flanders fields.

Take up our quarrel with the foe:
 To you from failing hands we throw
 The torch; be yours to hold it high
 If ye break faith with us who die
 We shall not sleep, though poppies grow
 In Flanders fields.

–Lt. Col. John McCrae

May. Spring has officially arrived and most of the hills in south Orange County are covered in yellow mustard. The winter rains have really done their job. I haven't seen it so scenic in.....well pretty much forever. That means it's time to get out and ride!

As I am writing this article, our ALR Delegates are up in Hollister at the Department Convention. I appreciate that Kokoe, Tim, Kat, Kim, Tony and Jim rode up there to make sure our Chapter has a say in what happens with our organization. I haven't been briefed on the goings on other than a new ALR Safety Guide is coming out. We will take advantage of the publication to get some safety training in during our meetings. More on the convention next month. Almost every month we welcome new members into the Chapter. They arrive and are, for the most part, eager to get involved. Make sure to say hello and introduce yourself when you see

a new face. Let them know they are a welcome addition to the family. I remember when I joined the Chapter I was looking for a group to ride with that contributes to society and to make some more riding buddies. The welcome I received was much appreciated and I know our new members will appreciate being made to feel they are not just another face.

Please mark your calendars for Memorial Day on Monday, May 29. We will meet at the Post to ride all the way across the street to participate in the Westminster Memorial Park Service. It is a traditional event that the entire Post Family participates in. After the service, we will ride over to the Westminster Vietnam War Memorial to pay our respects to the fallen. From there, back to the Post for the Pot Luck.

Our Chapter Chaplain, Jeff Gallagher, has agreed to help out with Road Captain duties. His first ride was

our April After Meeting Ride. Twelve Bikes headed to Walker's in San Pedro. A beautiful day to ride and great company to have a meal with. We took the "scenic" route through the harbor after and made a pit stop at Gallagher's Irish Pub in Long Beach. Jeff made sure that everyone was able to practice a U-turn in reminding us all that it's not the destination, it's the journey! Until next month, For God and Country, LET'S RIDE!

To uphold and defend the Constitution of the United States of America;

to maintain law and order; to foster and perpetuate a true spirit of Americanism;

to preserve the memories of our former members and the associations of our members and our forefathers in the Great Wars;

to inculcate a sense of individual obligation to the Community, State and Nation;

to combat the autocracy of both the classes and the masses;

to make right the master of might; to promote peace and good will on earth;

to safeguard and transmit to posterity the principles of justice, freedom and democracy;

to adopt in letter and spirit, all of the great principles for which The American Legion stands;

and to assist in carrying on for God and Country.

Comrades,

I want to thank everyone for getting their dues in; we are over 100% for this year and over 80 members. With that being said we could use more members attending the monthly membership meeting, which is the third Monday each month at 7:00 pm. We could also use more support on the Thursday Dinners that are being put on by the Sons.

We have had our Elections and the Officers are pretty much the same and I will publish the new Officers roster in the next newsletter.

We will be putting on a

Wrestling event on June 3rd, it will be our first in a while and we could use your support. We really need a good showing so the Promoter will want to continue using our Post as a Venue. So please help support the event.

We will also be having our annual Memorial Day

Wreath laying this month and we could use more Sons members attending, so please contact me or George Willis if you want to attend.

Thank you for your support,
