Join us for the Post Christmas Party on December 10th

THE AMERICAN LEGION FAMILY

LEGION / AUXILIARY / SONS / ALR

Greetings all,

We hope this letters finds you all in good health.

I would like to start by congratulating everybody who has supported our events. Because of you generosity we were able to pay off the balance of the new roof sign ahead of time, also we raised an additional \$500 that we will put towards the next project which is the Annex remodel; Thank you all.

We celebrated Rudy's 90th birthday with his family and his Triple Nickle family, a great time was had by all.

NFL Football is back, and we have NFL Sunday ticket. So, stop by and cheer on your favorite team.

Mark your calendars; December 10th we will be having our Post Christmas Party.

October is going to be a busy month here at the post. October 8th the Corvette club is hosting their annual car show, then on the 22nd the ALR is having their October Fest. You won't want to miss any of these events.

Things have been a little slow here during the week, so come On down and say hello, as we miss your smiling faces.

Thanks again for your support, God Bless America.

Frank Monson, Commander

Hello Everyone,

First and foremost, I want to sincerely thank everyone who brought in their donations for our FUNDrive, those who helped with each drop off, sorting, counting etc. and a big shout out to the Young Marines who formed an assembly line to fill the truck on the final day. You all were amazing. It was a huge success and want you all to know how grateful we are for your support. We were able to raise \$750.00 which will certainly come in handy for the programs we support!

Our Auxiliary donated \$250.00 to The American Legion California Fire Relief Fund. We made a real difference in the lives of these veterans and their families who desperately needed help due to the devastating losses from the California Fires.

Regarding our programs, we still need volunteers to help as chair/co-chair or be part of a committee for them. They are Auxiliary Emergency Fund, Americanism, Children & Youth, Education, Girls State, Membership, National Security, Poppy and Public Relations. Please contact me for more information on any of these and let me know what program you would be interested in participating.

Upcoming Events: Our next meeting will be Tuesday 10/3 at 7:00 pm. Tostado Bowl Tuesday 10/6 at 5:30 pm. Girls State District Celebration, Sunday 10/9. Dinner 10/20 at 5:30 pm (Beef Stew, Cornbread, Dessert). Bake Sale Booth at Oktoberfest on 10/22, 12-5 pm. Please let us know what you will be brining to sell and if you are able to help.

A reminder that Auxiliary dues for 2023 are now due. Please be sure to send in your dues for us to meet or early bird deadline.

For God and Country

Kay Hamby, President

Happy Halloween Report for October 9/20/22

October is here and I always wonder how the times go as fast you get older. To start we have another member pass on to the Post Everlasting Karl Treen a 20 year member World War Veteran and I'm still trying to get more information about him. Keep in mind when you call us with this sad information please leave your phone number so I can get better information about our Sister or Brother passing on. Also if anyone is sick or in the hospital let me know so we can honor them and or visit them.

God Bless America and the Legion family and our great Troops.

Andy Timko Our Post 555 Chaplain

CHAPLAIN'S CORNER

I can't believe that here we are in the 4th Quarter of 2022. The older we get, the faster time goes by. There is so much going on. That includes the good, the bad and the ugly. With political unrest, Covid, Natural disasters, economic uncertainty, Church splits and the list goes on. While the specifics may differ in each culture, none of this is new to God. God's people failed to follow His commands individually and collectively. Rather than be a blessing to the nations, they found themselves in a chaotic, divided kingdom.

The Bible verse in 2 Chronicles 7:14 says, "...if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land."

God knew His people would fail, sin, and disobey Him. And in His goodness, He offers us the way back. Despite present circumstances, God can and will unite His people when we humble ourselves and pray.

In closing, the month of October offers a lot of opportunities to enjoy each other here at the American Legion post 555. We are bringing music back into the picture to bring us back to breaking bread together, dancing and fellowship. Yes, we all gave an expiration date. Living each day is the way to go. The Bible says to get through the day as tomorrow has its own situations.

God and Country,
Gary Cordova, Chaplain

Hello all,

A few items to report this month.

Please see the flyer for the Riders Octoberfest, to be held on October 22nd.

I want to tank Doug Donnelly for donating 2 very nice coffee makers to the post. The coffee makers are kept in the kitchen. They are a nice addition to our Saturday morning meetings so our riders can enjoy a hot cup of coffee.

Some of our riders will be traveling north to Porterville the weekend of October 1st for the annual West Coast Rally.

There are Octoberfest Flyers at the Post if anyone would like to hand them out. They are located on the metal rack near the entrance to the bar, top shelf.

Remember, let's take care of each other.

See you at the Post,

Brad "Earp" Wade
Director

Greetings Fellow Legionnaires,

Lots of dinners and other activities coming up in October, so please remember to continue to visit our Post 555 website: <http://www.americanlegionpost55.com> as well as our Facebook Page:

<http://www.facebook.com/AlbertESchwabPost555> for all our Post 555 updates. I keep our Social Media sites updated every week, so please visit them when you have time.

I'm in the post several times a month for Post Dinners, so if you see me at the Triple Nickle Club Room, please stop me and say "HI".

I'd love to know what you think about what I've been doing to help the post go digital.
