## On the Cover: Post 555 Flags Displayed

Post 555 First Vice Commander Adam Crawford along with Commander Tim Dusina, and Post 295 and ALR 555 charter member Jeff Willis coordinated in true teamwork fashion to untangle the US flag from the eagle topper, and remove & replace the damaged US flag, POW flag, hooks, and rope.

The photo on the front cover shows the larger replacement

US flag, and double sided POW flag waving proudly in the beautiful California weather, and are a generous donation to The Post by First Vice Adam Crawford.

The Flag Pole is one of the many items that Commander Tim and 1st Vice Adam have taken pride in maintaining, repairing, or replacing at The Post.

Fellow Legionnaires,

February was a short but successful month. We enjoyed a fantastic home cooked Lasagna Meal prepared by Chef Frank. We also enjoyed our first Live Band Night on January 28th, just missing the February Marauder coverage. Cat Reed & Back Alley performed classic rock hits for a packed house, with food, drinks, and dancing. Our next live music event is scheduled for April 1st, featuring Rogues in Exile. This is a great rock & roll band, and you won't want to miss out on the fun!

**Post Business:** At the February Post General Meeting we discussed changing the dates of the Post Meetings from the 2nd Monday to the 2nd Wednesday, at 7:00 PM. We will be voting to revise the Post Bylaws to incorporate this change at the April Meeting. Please be sure to attend.

**Memberships:** Post 555 has the opportunity to be at 100% for Membership for the first time in many years. We are so very close to 100%; if you have not renewed, please do so. At this time, if you are not caught up

you are considered delinquent and suspended after January. Also, if you have moved please update your contact information with Post Adjutant Andy Timko. We have several membership cards that have been returned in the mail due to outdated mailing addresses.

**Post Improvement:** Construction around The Post continues full steam ahead. The exterior trim of the main building that was rotted away with time and termite damage has been completely replaced, as well as part of the back wall near the kitchen.

The Storage Room Project is under way; the south windows removed, and cabinets being built. Security cameras have been placed all around the facility, and burnt out lights have been replaced. The restrooms have new hand blow dryers and new toilet paper dispensers. Kat Sullivan and Dave Gutierrez have been organizing and maintaining the landscaping - check out our new plants out front!

**Coming up this month:** March is First Nominations for Officers. If you would like to be a part of making this Post great

again, please attend the March meeting and make your nominations, or get nominated. Elections are in April, and there is no better time than now to be a part of the Post Family.

We have several events coming up this month, please check the calendar on the Back Page and stop by. The Legionnaires are putting on a 4th Thursday Dinner - join us for Sloppy Joes and support the Veterans!

I am looking forward to seeing everyone at the St. Patrick's Day dinner.

## THE CHAPLAIN'S PULPIT

More sad news January 2nd we lost a very caring and giving person, A long time friend of many Legion Members and a special loving friend of Ed Sedlak. Mary Ann Davis her story began on August 10th 1957, in Fullerton California. From a very young age Mary Ann had a sense of adventure. When she was just two years old, she climbed the backyard fence and made her way to the grocery store, that kind of gives you a hint of her early years was. In later years as a teen she loved makeup, big girl stockings and high heels. Oh and she loved to dance and have fun.

Mary always showed compassion and respect for the needy and marginalized, was also a cheerleader for the un-

derdog and would not tolerate prejudice. Her big heart also saved many stray animals over the course of her life. Independent from young age she knew what was important to her and did not follow the crowd, she had a way of calling a spade a spade and valued honesty. This is just a little information for everyone who knew and loved her and oh I can say she was a great great cook if you know me I can guarantee that.

Mary Ann has gone to the Post Everlasting and she will be missed God Bless you Mary Ann. You were Loved by many Legion Members and friends.

God Bless America and the American Legion Family  
(Definitely our Troops)

## AUXILIARY UNIT 555

Greetings All,

In February, the Auxiliary rolled out the first of hopefully many fun themed 3rd Thursday Dinners. In conjunction with the Post Family, the goal is to have a dinner every Thursday. Last Month, we featured a \$5 menu of Chicken Quesadillas, Chips, and Salsa, and we sold 56 meals - Nice work ladies! In March we will be serving up our Special Savory Hawaiian Sandwiches - don't miss out on an awesome dinner!

We also had our first ever Mary Kay party on February 19th - a good time had by all. We anticipate more parties like these in the future. If you did not have the chance to attend, stay tuned - we have more in the works!

This month, we keep the Auxiliary activity ball rolling with St. Patrick's Day Dinner on the 17th. Be sure to join the Post Family for a fantastic dinner that doesn't disappoint! In addition our monthly meeting occurs on Tuesday, March 7th. Be sure to attend, as this will be our first round officer nominations! If you are ready to make a difference, join us - this is for you!

The Auxiliary is collecting items to bring to the hospital patients at the VA Long Beach. If you have and new socks (must be white), shirts, travel toiletries (shaving cream, floss, toothpaste, etc.), pens, pads of paper, please bring them to the Post to our drop box. We would like to organize a visit at the end of March to drop off these items. If you have any last minute items to drop off to the troops that are on deployment, we are still accepting items. Our comprehensive list is available in hard copy at The Post, and also on line at: <http://www.americanlegionpost55.com/auxiliary.html>

Girls' State is underway! Applications are due in by

March 15th, and interviews will begin. The Americanism Essay Contest continues until March 10th. If you know any students in grades 4 through 12 that would like to write an essay and possibly win a cash prize, please contact the Auxiliary and check out the website.

Last week during a clean-up event, we uncovered what appears to be an original Unit Charter Member Roll (shown below), signed on January 3rd, 1939. Steps are being taken to preserve this historical document, and will be displayed in the future.

Unit 555 welcomes our newest members: Debi Castro, Julie Gallagher, Stefanie Weber-Lagman, Diane Silvers, Renée Tey, and Soulah Warshauer. We are glad to have you as part of the Post Family!

Unit 555: Let's keep the momentum going! There is no limit to what we can do as a Unit, and as part of the Post Family!

## AMERICAN LEGION RIDERS CHAPTER 555

### ALR 555 Preamble

to promote motorcycle safety education programs and to provide a social atmosphere for American Legion Family members with the same motorcycle interests;

To consecrate and sanctify our association by our devotion to mutual helpfulness.

This month's article will be my final as President of Chapter 555. It has been an honor and pleasure to serve in that capacity for three of the last four years. I am very proud of all the hard work our members have put into our events. They have been great successes and we have been able to donate thousands of dollars to various organizations.

Speaking of events, as of this writing, our Annual Chill Cook-Off is about a week away. By the time

you read this, I am sure you will agree that it was another great success! Also, remember to save the day, March 11. I plan to lead a ride that everyone can enjoy. It'll be a good one! See the flyer for more information.

I look forward to continued involvement with the Chapter, but from a position of sitting in the back of class shooting spit wads through a straw! In all seriousness; I have no idea who the next group of leadership will be, but I am

sure they will carry on and hopefully continue to grow our Chapter. For now, I will take my leave.

and to assist in carrying on for God and Country.

Greeting to all,

I realize it has been some time since I have had an article in the Marauder, but I will endeavor to correct that. There has without a doubt been a lot going on around the Post in the last month or so and if you have been in you can't miss the changes. Our Post Commander has been busy getting things done and has done a great job this year, he has out done himself this term.

The Sons have also been busy as well; we pitched in on the new ceiling improvements that were recently done. It has truly been a joint effort, I was able to pitch in with some materials I had on hand and even had a donation from my company of some LED 6" can lights. The crew that did the renovations to the ceiling in the main hall (with the exception of the dry wall hangers) are all Sons members at 555 and did an outstanding job. I will have to take some credit since they are all on my crew; there was Joshua Eubanks (my Son) who did the electrical, Mark Allen

who did the taping of the drywall and ran the crew and Gerald Morris who helped with the Electrical and the Painting.

Along with providing the Labor, we were able to save the Post about \$3,000.00 by donating materials and Labor. None of this would have been possible if our Commander hadn't taken the initiative to take on this project, good job Tim. There are many more things happening right now, and we are knee deep in the middle of it all. So keep your eyes open and watch as the Legion family transform this place and makes it a great place to be.

Our Squadron currently has 67 members and we are at 85.90% with a few more new members and renewal still to transmit. Our goal is 78 members this year and we are almost there, so if you haven't renewed you need to stop by the Post and drop off your dues or mail it in. Don't hesitate any longer, since as of now by Detachment By-laws your membership is suspended. I know you don't want that and neither do

we, besides you lose you privilege's to use the Social Quarters. Whoops that's not good!!

I wish to say that I am proud to be affiliated with this Post and the people that are a part of it, Also I would like to thank my crew for all of their hard work and the professional manner it was performed. Also thank you to George Willis for all your hard work as 1st Vice Commander and with your efforts on Membership.

Thank You,

**James A Eubanks**
